The Catechesis of the Good Shepherd Program

The Catechesis of The Good Shepherd (CGS) is a unique approach to religious formation of children. It is rooted in the Bible, the Liturgy of the Church, and the methods of Maria Montessori.

Understanding that children already have a relationship with God the catechist seeks to provide materials that are both simple yet beautiful.

The "Atrium," the room where the children gather, has a quiet atmosphere and gentle direction which enable the children to explore their relationship with God.

C.G.S. is the program **QHR School of Religion** has chosen to use with the pre-school aged children (3-5).

The preschool meets on Sunday mornings at the same time as grades K thru 6

10:15 - 11:30.

C.G.S. follows the same calendar distributed by the School of Religion. Participation in other activities of SOR are encouraged:

- Seasonal Family Nights
- Lenten Dinners
- Parent Q & A with Fr. Cullen
- VBS, Picnics, and other gatherings

The **Atrium** is located in the upstairs of the Convent. The Catechist meets the children in the school cafeteria and walks with them to the convent.

Both, Sheryl Lickteig her aide, Mary Amor are certified catechists for this program. We highly recommend a visit to the Atrium prior to beginning.
